KS4 & KS5 Results Overview

KS4 Summary

- GCSEs delivered in English, Maths, Science (Biology) and Art & Design.
- All GCSE subjects achieved strong outcomes across a broad grade range.
- Non-GCSE courses recorded strong pass rates across English, Maths, Science, Art & Design and ICT, with most subjects at 100% and a small number of unclassified results in English and Maths Entry Level.

KS5 Summary

- Students completed a wide range of Entry Level qualifications across Life & Living Skills, English and Maths.
- All confirmed KS5 non-GCSE qualifications achieved a 100% pass rate.

Whole-School KS4–KS5 Highlights

- Strong pass rates across all Entry Level, GCSE and vocational qualifications.
- Food Technology successfully accredited via AQA Unit Awards to match pupils' working level.
- Successful delivery of a broad qualifications offer across both key stages.
